7. Empire Scion Loader

# Empire 200 Round Loader Regular

## Features:

- ❖ The Empire 200 Round Paintball Loader is made of tough polymers for extreme durability.
- ❖ These loaders can withstand punches, crashes, slams and bangs while continuing to load your machine.
- ❖ Holds 200 paintballs.

# Empire BT Rip Clip Loader System

## Features:

- ❖ Uses Sound Technology to Feed Paintballs
- ❖ Picatinny Rail System for Accessories
- ❖ Built-in Rip Drive
- ❖ 200+ Paintball Capacity
- ❖ 15+bps Feed Ratio
- ❖ 3 Adjustable Speed and Sound Settings
- ❖ Automatic Ball Stack Monitoring
- ❖ Low Battery Indicator
- ❖ Ultra-Quiet Belt Drive
- ❖ Fits TM-15, TM-7, Combat, Slice, Omega, ERC, Delta, G36, Assault, and Banshee models

# Empire Multi Caliber Hopper

## Features:

- ❖ .68 Caliber hopper
- ❖ Includes .50 caliber adapter
- ❖ 100+ Ball capacity (.68 cal)
- ❖ 340+ Ball capacity (.50 cal)

# Empire Halo Too Loader

## Features:

- ❖ Lightweight loader feeds 20 + balls per second
- ❖ Polycarbonate shell can withstand the hardest of hits
- ❖ 180 ball capacity
- ❖ According to legendary paintball pro Billy Ceranski, "this is the best loader for the money"
- ❖ Low battery indicator

# Empire Prophecy Z2 Loader

## Features:

- ❖ No Tools needed for assembly and disassembly
- ❖ Gentle on paint, so go ahead and shoot our Ultra Evil
- ❖ Sound Activated force feeding
- ❖ Low profile and lightweight
- ❖ Redesigned drive carrier for consistent and faster feeding
- ❖ Integrated one-piece feed neck for durability
- ❖ Simple ON/OFF toggle switch
- ❖ Includes built-in Rip Drive System
- ❖ Push button forward and reverse buttons
- ❖ Shoots Reballs consistently
- ❖ Capacity-approximately 200 paintballs

# Empire Scion Loader

## Features:

- ❖ Infrared Break Beam activation
- ❖ New drive cone for more consistent feeding; based off the successful Z2 paintball loader design
- ❖ Self Monitoring Drive Speed, similar to the logic used on the Z2 loader
- ❖ Auto Jam Clearance
- ❖ Tool-less Battery Door

# JT Loaders

# List of JT Loaders

1. JT Revolution Classic Loader
2. JT Evlution Loader
3. JT 200 Rd Hopper

# JT 200 Round Hopper

## Features:

- ❖ Plastic construction
- ❖ Holds 200 paintballs
- ❖ Clear spring-loader lid

# JT Evlution Loader

## Features:

- ❖ Capacity Approximately 200 Paintballs
- ❖ Feed Rate of 18 BPS (Balls Per Second)
- ❖ Quick Assembly And Disassembly
- ❖ Eye Activated / Force Feed Technology
- ❖ Instant Auto Anti-Jam
- ❖ Easy Push Button On/Off
- ❖ Low Battery Indicator
- ❖ Flexible Impact Resistant Shell
- ❖ Gentle 3-Blade Spring Loader Feed Paddle
- ❖ Requires 2 9-Volt Batteries

# JT Revolution Classic Loader

## Features:

- ❖ On-gun feed rate of up to 20 bps
- ❖ Electronically-controlled, anti-jam propeller automatically reverses and resets once a jam is detected
- ❖ 2-piece body design for easy cleaning and battery replacement
- ❖ 200 ball capacity
- ❖ Requires two, 9-volt batteries (not included)
